1. ~~WILLI KLAUS~~ and Karl Luther ~~KLAUS~~ were reported upon by us in connection with a long report on the ERNST intelligence group (ICMA-1463, which we assume FOM has forwarded to you.) Both men are involved in a business cover enterprise in Munich, ~~FRG~~, reported to mask French intelligence activities.

2. We have no information at all on ~~ERNST KLAUS~~ or ~~ERNST KLAUS~~.

3. ERNST did work for KISPER, on and off, from 1946 to 1949. We also do have a Peter Ernste ~~ERNST~~, but we do not have an alias ~~ERNST~~ on file, so we cannot state with certainty that our man is identical with your reference.
